

Sinclair
Broadcasting's
decision to force
their stations to
air an anti-Kerry
documentary days
before the election
is a clear example
of the dangers of
media consolidation.

When I was in
college, I remember
hearing how 18
companies controlled
all we heard and
saw. Now it's 5 or
6. How has this
happened? why have
YOU let this happen?

The American people
have been
slumbering, but we
are a giant being
awakened.

Please realize this
issue with Sinclair
is not a Democrat
issue or a
Republican issue. It
is an issue of
democracy and
fairness.

Please do your job.

Thank you.
